

THE QUR'AN

The Quran is the sacred text in Islam and the word of Allah that was revealed over 1400 years ago.

It was revealed through the Angel Jibrail (Gabriel) (AS) to the prophet Muhammad (SAW).

The Quran was revealed over a period of 23 years.

The Quran has 114 chapters and is written in Arabic.

All the chapters except one begin with the sentence Bismillahir rahmanir raheem, which translates to 'In the name of Allah the most merciful and the most kind'. This is the sentence with which Muslims should start every action.
